Model Behavior

Rogan, Giambattista Valli, Phillip Lim and Chris Benz, among others, have created limited-edition tees to help build the first solar-powered hospital in Burundi, the poorest country in the world. Starting today you can buy them for only \$60 at JustOneFrickinDay.com, a charity founded by Elettra Wiedemann—yes, the model and daughter of Isabella Rossellini, but did you know she'll also attend grad school in biomedicine this fall?...
